The sewer commissioners discussed our upcoming NPDES Permit and a recent meeting with MassDEP attended by Mark and Greg McVeigh, Wright-Pierce. The discussion was about I&I in the collection system and how to handle it at the WWTP, phosphorus and nitrogen treatment, future of the wetland beds and SRF funding.

The commissioners would like to meet with MassDEP and asked Mark to schedule a meeting. Larry is okay for a Tuesday, Wednesday or Thursday meeting excluding 7/8, Frank is not available for 7/23-7/25 and Mike is available for Larry's and Frank's dates.

Mark will ask Greg McVeigh to come to the July 8th Sewer Meeting and bring his rebuttal letter to the ESS Group's letter report for their review. Mark will also look for a letter from Frank and Larry regarding the Phosphorus TMDL Report.

Meeting closed at 2:12 PM with a motion from Larry, seconded by Frank and in favor Mike.
