NOTICE

HYDRANT FLUSHING

TOWN OF SPENCER

The Town of Spencer Water Department will be flushing fire hydrants throughout the eastern part of town (Eastern Zone) starting April 4th thru April 22nd 2016.

Hydrant flushing removes unwanted sediment from pipes and helps provide better water quality. When the Water Department staff is in the immediate area, residents could experience loss of pressure and short periods of rusty water. We are sorry for any inconvenience this may cause. If you have any concerns, please feel free to contact the Spencer Water Department office at 508-885-7525. Thank you.
